We got that bratitude  
It's not that attitude  
We got that bratitude  
Yeah

There's a voice inside of me  
Set it free  
Set it free  
Set it free  
And it lives deep down deep in my soul  
Let it go  
Let it go  
Let it go  
Come with me on this ride  
Sail with me through the sky  
You can't hide  
You can't hide  
You can't hide  
Everyone listen up

They say my bratitude  
Is just an attitude  
Gotta take the latitude  
To say that it's okay  
It's not a platitude  
To feel some gratitude  
So show some bratitude to the world today

Express yourself and you'll see  
Set it free  
Set it free  
Set it free  
One on one, all together you konw  
Let it go  
Let it go  
Let it go  
Believe in all you are  
And let your spirit soar  
This power will open the door  
Now you know  
Listen up

Ay ay ay ay  
It's not an attitude  
Ay ay ay ay
