Everybody now (ooh)
Everybody now (oh)
Everybody now (ooh)
Everybody now (yeah)
Everybody now

Everybody now (ooh)
Time to show the whole world
What we're all about
B B B B B Bratz

Everybody now (ooh)
Time to show the whole world
What we're all about
We're the girls with a passion for fashion

Ooh Bratz, we'll always be there for eachother
Ooh Bratz (yeah) Stylin' how we feel (ooh)
Talkin' about best friends (yeah)
Together we can do anything (oh)
Gotta plan the dream, take a chance to believe
Make it real
B B Bratz

Everybody now
