This is how we do what we do  
When we're doin' it right  
How we do what we do  
When we're doin' it right  
This is how we do what we do  
When we're doin' it Bratz style, Bratz style

Got a good thing and we know it  
Feelin' good and not afraid to show it, no  
Got my friends and we're ready  
We get the party started that can't stop

This is how we do what we do  
When we're doin' it right  
How we do what we do  
When we're doin' it right  
This is how we do what we do  
When we're doin' it Bratz style, Bratz style

We're comin' on strong  
It's getting better  
We're turnin' it on, everybody feelin' alright  
Me and my friends, yeah, we're ready  
We get the party goin' that never stops

This is how we do what we do  
When we're doin' it right  
How we do what we do  
When we're doin' it right  
This is how we do what we do  
When we're doin' it Bratz style, Bratz style

This is how we do what we do  
When we're doin' it right  
How we do what we do  
When we're doin' it right  
This is how we do what we do  
When we're doin' it Bratz style, Bratz style
