Here we go again, together best of friends  
Cause I've got your back  
And I know that you've got mine

Together we're so strong  
We're right where we belong  
It's so good to know that you're here by my side

Friends are everything, friends are what we need  
All together again, oh oh  
Friends are everything, just like you and me  
With each other we'll win  
Cause we're friends

Yeah, yeah  
Yeah, c'mon  
We are friends

I'll be there for you  
You know I'll be there too  
Stick together and we'll win in the end

Put your hands in the air all our friends everywhere  
Yeah, we're bonded now  
Say it again

Friends are everything, friends are what we need  
With each other we'll win  
Cause we're friends

And even when the times get tough  
We'll make it through with all of us  
And nothing is impossible  
Cause when we stand together we can do anything

Friends are everything  
Let me hear you scream  
Everybody, all together  
One more time, sing

Friends are everything, friends are what we need  
All together again, oh oh

Friends are everyhting, just like you and me  
With each other we'll win  
Cause we're friends
