Gettin' It Right

Everybody now...

Everybody has a part to play,  
And all of us make one,  
Work together it'll be ok,  
That's the way that it's done...

Realizing that it's more than you,  
And it's more than me,  
Hand in hand you know that we can't lose,  
We can do anything...

Oh...  
When it's all of us, any dream is reachable,  
Oh...  
And we're stronger because we know...

We're gettin' it right,  
All together,  
There's nothing we can't do,  
We're gettin' it right,  
Makin' it better,  
It's a beautiful world, too,  
Oh... celebrate again,  
'Cause we're livin' in harmony,  
We're gettin' it right,  
We're gettin' it right...

We can make it standing side by side,  
That's where we belong,  
Everything is gonna turn out right,  
Together we can't go wrong...

Oh...  
When it's all of us, any dream is reachable,  
Oh...  
And we're stronger because we know...

We're gettin' it right,

All together,  
There's nothing we can't do,  
We're gettin' it right,  
Makin' it better,  
It's a beautiful world, too,  
Oh... celebrate again,  
'Cause we're livin' in harmony,  
We're gettin' it right...

Ooooh...  
I'm right here with you,  
And you're right here with me,  
Ooooh...  
That's the way it's supposed to be...

Oh...  
When it's all of us, any dream is reachable,  
Oh...  
And we're stronger because we know...

We're gettin' it right,  
All together,  
There's nothing we can't do,  
We're gettin' it right,  
Makin' it better,  
It's a beautiful world, too,  
Oh... celebrate again,  
'Cause we're livin' in harmony,  
We're gettin' it right...

We're gettin' it right,  
All together,  
There's nothing we can't do,  
We're gettin' it right,  
Makin' it better,  
It's a beautiful world, too,  
Oh... celebrate again,  
'Cause we're livin' in harmony,  
We're gettin' it right,  
We're gettin' it right...

Together we belong,  
We're gettin' it right,  
Together we stay strong,  
We're gettin' it right,  
We're gettin' it right,  
Everybody say... yeah, yeah,  
We're gettin' it right...
