You wanna see how it could be
With something new like when we strike
We're ready to try
So, c'mon, let's fly
No one can stop us when we're sliding by

And it's getting stronger and stronger
You know
So drop everything
Watch us hit with the show

Hey, can you hear it all around you?
Then get all down with the Angelz sound
C'mon, hey hey, can you feel it running right through
you?
All the boys go hey (when the Anglelz play)
And the girls go hey (when the Angelz play)
Everybody go hey, hey, hey (when the Angelz play)

You feel the groove, you wanna move
There ain't no stopping when you do
We found our own track
No need to hold back
Can see you like this Angelz act

'Cause now, when you've tasted you want even more
And so, if you got it, hold on, here we go

Hey, can you hear it all around you?
Then get all down with the Angelz sound
C'mon, hey hey, can you feel it running right through
you?
All the boys go hey (when the Anglelz play)
And the girls go hey (when the Angelz play)
Everybody go hey, hey, hey (when the Angelz play)

R-O-C-K
We are the Rock Angelz
C'mon and shout it out
R-O-C-K
So if you like it
C'mon and shout it out

Hey, can you hear it all around you?
Then get all down with the Angelz sound
C'mon, hey hey, can you feel it running right through
you?
All the boys go hey (when the Angelz play)
And the girls go hey (when the Angelz play)
Everybody go hey, hey, hey (when the Angelz play)
