Anything we wanna do, we're gonna do it right
Always gonna win because we don't give up the fight
Work it out and think about the possibilities
Strong enough to do it
We've got everything we need

Nothin's ever gonna slow us down, no
Because we know that we are

Invincible, invincible
Invincible, invincible
Standing up together and we're never gonna fall
Invincible, invincible

Never underestimate the power that you've got
You can take a situation
Make it what you want
Knowin' what you gotta do and workin' out a plan
It's all about the attitude, believin' that you can

Nothin's ever gonna slow you down, now
Once you know that you are

Invincible, invincible
Invincible, invincible
Standing up together and we're never gonna fall

Invincible, invincible

Invincible, invincible
Invincible, invincible
Takin' on the world
We are the girls to win it all
Invincible, invincible

Anything we wanna do, we're gonna do it right
Always gonna win because we don't give up the fight
Work it out and think about the possibilities
Strong enough to do it
We've got everything we need

Nothin's ever gonna slow us down, no

Because we know that we are

Invincible, invincible

Invincible, invincible

Standing up together and we're never gonna fall

Invincible, invincible

Invincible, invincible

Invincible, invincible

Takin' on the world

We are the girls to win it all

Invincible, invincible
