any time that you need a friend
thats what i'm here for (here for)
whenever trouble comes a knocking
at your door
when you feel that theres no way out
and its more than you can take
you can follow me
i;m gonna show you the way

oh be there by your side
and you know that oh
i'm gonna make it work out fine

Chorus

I've got your back
i've got you
don't need to worry bout an thing
i've got your back
i'll be there any time you call
i've got your back
i've got you
just know that you can count on me
I've got your back
i'll be there to catch you when you fall

i've got you back
(oh oh)
i've got your back
(yeah yeah)
i've got your back
(got your back)
i've got your back yeah yeah yeah
any time that you feel alone
and you think all hope is gone

and you dont know what to do
call on me , i'll always be there for you

oh be there by your side

and you know that oh
i'm gonna make it work out fine

don't need to worry bout an thing
i've got your back
i'll be there any time you call

I've got your back
i'll be there to catch you when you fall
