Let's get to it
Everybody do it
Everybody have some fun
Let's get to it
Everybody do it
Everywhere and everyone

Let's start it out
Get into somethin' that we don't ever stop
Let's get a little crazy
That's what we need
Do what we wanna do
You know what I mean

Let's get to it
Everybody do it
Everybody have some fun
Let's get to it
Everybody do it
Everywhere and everyone

Let's get to it
Everybody do it
Everybody turn it up
Let's get to it
Everybody do it
Never gonna ever stop

Let's, let's get to it
Let's, let's do it

Let's get to it
What'cha waitin' for, waitin' for?
You ready for a little more, little more?

Got it goin' on
Got the jammin' song
Make you wanna get a little bit crazy
Gonna have some fun
C'mon, everyone
Right here and now, you don't have to wait
Gonna take you there 'cause it's time to share

If you're ready, let me hear you say oh
It's time to do what you wanna do
Everybody now, let's go

Let's get to it
Everybody do it
Everybody have some fun
Let's get to it
Everybody do it
Everywhere and everyone

Let's get to it
Everybody do it
Everybody turn it up
Let's get to it
Everybody do it
Never gonna ever stop

Let's get to it!
