Whoa, that's wild 2,3,4!
ahaha here we go now, get ready, that's wild

Who knows what the future holds
You gotta take it day by day (day)
Anything is possible
Here we go we're on our way, oh oh

Life, life's a wild ride
And it never stops
So hold on tight (oh whoa)
Life, life's a wild ride
Get ready for a take-off
Get ready to fly

Wild, wild, oh, wild, wild

Who knows what lies up ahead (oh)
Ups and downs and twist and turns (turns)
Surprises that we don't expect
Every day we live and learn

Life, life's a wild ride
And it never stops
So hold on tight (oh whoa)
Life, life's a wild ride
Get ready for a take-off
Get ready to fly

Wild, wild, oh, (life's a wild ride) wild, wild, oh
Play that guitar, oh thats right, c'mon c'mon c'mon

Who knows what the future holds
You gotta take it day by day (day)
Anything is possible (anything)
Here we go we're on our way, oh oh

Life, life's a wild ride
And it never stops
So hold on tight (oh whoa)
Life, life's a wild ride
Get ready for a take-off

Get ready to fly coz life's a wild ride
