Oh, oh ooh woah, oh ooh woah-oh
Oh yeah, Come on now
Oh ooh woah, oh ooh woah-oh
Ooh ooh ooh ooh oh

Tell me are you ready now
Gonna show you how we turn it up
Time to start the party here tonight (tonight)

We know what you're waitin' for
Gonna turn it up a little more
Make ya wanna start to move
C'mon now don't be shy
Cause...

When you're gettin' up in the groove
And you're feelin' it like ya do (do)
Make you wanna dance
Make you wanna dance
Make you wanna... Oh oh

Cause you know we got what ya need
And you know we don't stop the beat
Make you wanna dance
Make you wanna dance
Make you wanna... Oh oh

Everybody here with me
C'mon let me hear you scream
You know the more you get
The more you want
(The more you want)

Gotta get your groove on
That's the way
Keep the party goin' all night and day
Ya know it's irresistible
And now you just can't stop (no)

When you're gettin' up in the groove
And you're feelin' it like ya do (ooh)

Make you wanna dance

Make you wanna... Oh oh

Cause you know we got what ya need
And you know we don't stop the beat

When we're jammin' up in the club
And you know ya can't get enough
Make you wanna dance
