uuuh huuh uh uh uh uh uh uh uh
oh owoh oh owooh u uh huuuuoh

true
everybody has a dream,
if we just believe,
we can do it i know we can,
all we gotta do is try(try)
Though it's hard sometimes,
but we're never gonna turn back

think about it,work it out and all is possible
anything and everyting we want we can get
make a plan and understand that we're
unstoppable(oh)
however long it takes you know we'll win in the end

we're never goona give up(oh no)
never gonna give in,can't be shaken(uuh)
we don't hold back, we can see that
all our dreams are waiting
never gonna give up(oh no)
never gonna give in,we can make it
we can't be stopped, get what we want
see the chance we take it

strong
and we're nevr gonna fall(fall)
we can have it all(ooh)
nothin's gonna stand in our way(our way)
when you know you've got a dream
in your heart believe
then there's nothin' that you can't face

think about it, work it out and all it possible
anything and everything we want we can get
make a plan and understand that we're unstoppable
however long it takes you know we'll win the end

we're never gonna give up(oh no)
never gonna give in,can't be shaken
we don't hold back, we can see tat

all our dreams are waiting
never gonna give up(oh no)
never gonna give in,we can make we be stopped, get
what we want
see the chance we take iy

(oh)gotta go for it
(oh)gotta know that you can
(ooh)if at first you don't succeed,try,try agin
gotta realize it(realize it)
gotta in your heart(heart)
that you can do anyting and you can be a star

never gonna give up(oh no)
never gonna give in,can't be shaken
we don't hold back,we can see that all our dreams are
waiting(oh)
we're never gonna give up(oh no)
never gonna give in,we can make it
we can't be stopped,get what we want
see the chance we take it
never gonna give up(oh no)
never gonna give in(give in)
