You see a sparkle  
You spot a twinkle  
When you see glimmer it's my diamonds and pearls

I like it flashy  
I like it classy  
I like my shimmerin' to dazzle the world

Fashion, you gotta turn it to the left  
Fashion, you gotta turn it to the right  
Ooh, ooh fashion  
We are the Bratz and now we're comin' to town  
Me and my girls will bring the fashion around

My only passion  
The one for fashion  
And everything that makes me shine like a star

My clothes are sparklin'  
My skin is glowin'  
The stage is glitterin' when I do my walk

Fashion, you gotta turn it to the left  
Fashion, you gotta turn it to the right  
Ooh, ooh fashion  
We are the Bratz and now we're comin' to town  
Me and my girls will bring the fashion around

Talk to me (talk to me)  
Speak to me (speak to me)  
Lights on me (lights on me)  
Do the walk with me, do the walk with me

Fashion, you gotta turn it to the left  
Fashion, you gotta turn it to the right  
Ooh, ooh fashion  
We are the Bratz and now we're comin' to town  
Me and my girls will bring the fashion around

Fashion, you gotta turn it to the left  
Fashion, you gotta turn it to the right  
Ooh, ooh fashion

We are the Bratz and now we're comin' to town  
Me and my girls will bring the fashion around
