You see a sparkle, you spot a twinkle,
When you see glimmer, it's my diamonds and pearls,
(ka-ching)
I like it flashy, I like it classy,
I like my shimmering to dazzle the world....

Fashion,
You gotta turn it to the left,
Fashion,
You gotta turn it to the right,
Ooooh Fashion,
We are the Bratz and now we're coming to town,
(Beep Beep)
Me and my girls will bring the fashion around,
(Beep Beep)....

My only passion, the one for fashion,
And everything that makes me shine like a star,
(ka-ching)
My clothes are sparkling, my skin is glowing,
The stage is glittering when I do my walk....

Fashion,
You gotta turn it to the left,
Fashion,
You gotta turn it to the right,
Ooooh Fashion,
We are the Bratz and now we're coming to town,
(Beep Beep)
Me and my girls will bring the fashion around,
(Beep Beep)....

Talk to me,
And speak to me,
Lights on me,
Do the walk with me,
Do the walk with me....

Fashion,
You gotta turn it to the left,
Fashion,
You gotta turn it to the right,

Ooooh Fashion,
We are the Bratz and now we're coming to town,
(Beep Beep)
Me and my girls will bring the fashion around,
(Beep Beep)....

Fashion,
You gotta turn it to the left,
Fashion,
You gotta turn it to the right,
Ooooh Fashion,
We are the Bratz and now we're coming to town,
(Beep Beep)
Me and my girls will bring the fashion around,
(Beep Beep)....
