A little bit outrageous, I'm really quite contagious
We're gonna go around the world
We're crazy girls, we know we're gonna make it
(We're gonna make it)

I'll show you the way right now then we'll break out
And do anything we want

(Oh, oh)
What you waiting for?
(Oh, oh)
We're kickin' down the doors
(Oh, oh)
Gonna rock the world
(Oh, oh)
You're gonna get this feeling inside
It's a matter of time till the world is alive with Rock
Angelz, Rock Angelz

Go on and be a hero, you made it to the big show
Pretend that you could save the world today
And hey, don't wait until your bedtime
(Wait until your bedtime)

Every dream is a giant step to where you wanna go
And do anything you want

(Oh, oh)
What you waiting for?
(Oh, oh)
We're kickin' down the doors
(Oh, oh)
Gonna rock the world
(Oh, oh)
You're gonna get that feeling inside
It's a matter of time till the world gets alive with Rock
Angelz

We're all Angelz
(Rock Angel)
Rock Angelz
Hold your head up high

And reach the sky in our world
We're all Angelz

(Oh, oh)
What you waiting for?
(Oh, oh)
We're kickin' down the doors
(Oh, oh)
Gonna rock the world
(Oh, oh)
You're gonna get that feeling inside
It's a matter of time till the world gets alive with Rock
Angelz

(Oh, oh)
What you waiting for?
(Oh, oh)
We're kickin' down the doors
(Oh, oh)
Gonna rock the world
(Oh, oh)
You're gonna get that feeling inside
It's a matter of time till world gets alive with Rock
Angelz
