We know how to dare
We know how to dream
Tonight is the night
What we wanna be will be
We're gonna make it through

Let's conquer the fears
Take every chance
Hold back the tears
What we wanna be we'll be
We're gonna make it through

Out of our heads
Into our hearts
Close to the edge
Ready to start

And it's so good
Dancing on the air
It feels so good
Nothing can compare
Cuz the beat in our hearts
Is the beat of the charts
Like a spotlight we're cutting through
It feels so good
Shining here in front of you

Give everything
And don't be afraid
Be true to yourself
If you wanna live forever
You're gonna make it through
You're gonna make it through

Out of our heads
Into our hearts
Close to the edge
Ready to start

And it's so good
Dancing on the air
It feels so good

Nothing can compare
Cuz the beat in our hearts
Is the beat of the charts
Like a spotlight we're cutting through
It feels so good

Dancing on the air
It feels so good
Nothing can compare
Cuz the beat in our hearts
Is the beat of the charts
Like a spotlight we're cutting through
It feels so good
Shining here in front of you

Dancing on the air
It feels so good
Nothing can compare
Cuz the beat of our hearts
Is the beat of the charts
Like a spotlight we're cutting through
It feels so good
It feels so good

Shining here in front of you
