Doesn't happen when the night gets something we
work at
Taking time standing in the spot light
Making moves on the roads making out what we're
good at
In our own kind of specialized way

We're bratz
Space angelz popstars
There's so many things that we like
And trust being who we are
The sky is a limit, hold tight
We're bratz space angelz pop stars
And we're gonna rock the world
Hangin' out with our girls
Oooh whoa...
It's a new phase

Knockin down doors checkin out the illusions
One golden girl's got an overdose box
We've got fresh points of view got our instincts focused
We keep it real always try to do our best

Oh oooh we're so,
Havin fun, trough matter
Always on the call...
... That's what we do

We're bratz
Space angelz pop stars
There's so many things that we like
And trust being who we are
The sky is a limit, hold tight
We're bratz space angelz pop stars
And we're gonna rock the world
Hangin' out with our girls
Oooh whoa...

...Cuz I'm in doubt
Checkin it out
Somehow can how
Believe in ourselves

The party is out

We're bratz space angelz pop stars
There's so many things that we like
And trust being who we are
The sky is a limit, hold tight
We're bratz space angelz pop stars
And we're gonna rock the world
Hangin' out with our girls
(x2)

Oooh whoa...

We're bratz!
