Here we go!

I feel so alive ain't afraid of nothing
The timing is right gettin' ready to roll
Grab the mic turn it up gonna make it a rock bang
All my girls go!

Our hair is long Our boots are high
The fashion's right We sparkle and shine

Here we go! Oh oh oh oh oh
You see us comin' down the street
Yeah yeah yeah yeah yeah
Here we go oh oh oh oh oh
We're gonna knock you off your feet
Yeah yeah yeah yeah yeah
So incredible unbelievable
How we sparkle and shine
Here we go, here we go

They're all having fun and the place is jumpin'
It's like a dream comin' true when the crowd goes
lalalalalala lalalalalala
Everybody gets wild with the fabulous angels
Sing along now

Our dancing's cool We're lookin' fly
The fashion's right We sparkle and shine

Here we go! Oh oh oh oh oh
You see us comin' down the street
Yeah yeah yeah yeah yeah
Here we go oh oh oh oh oh
We're gonna knock you off your feet
Yeah yeah yeah yeah yeah
We're so incredible unbelievable
How we sparkle and shine
Here we go, here we go

We sparkle and we shine (come on come on)
We're feeling so alive (That's what we do)
We're gonna rock the place all night

Our hair is long Our boots are high
The fashion's right We sparkle and shine

Here we go! Oh oh oh oh oh
You see us comin' down the street
Yeah yeah yeah yeah yeah
Here we go oh oh oh oh oh
We're gonna knock you off your feet
Yeah yeah yeah yeah yeah

Here we go! Oh oh oh oh oh
You see us comin' down the street
Yeah yeah yeah yeah yeah
Here we go oh oh oh oh oh
We're gonna knock you off your feet
Yeah yeah yeah yeah yeah
So incredible unbelievable
How we sparkle and shine
Here we go, here we go now
Here we go, here we go now
Sparkle and shine
