Once I start, I don't back down
It's all about the here and now (and now)
Nothing's gonna hold me back (no)
I'm here to stay, got what it takes
And that's fact...

'Cause I'm strong enough to know I can
Strong enough to understand (that's right)
And see the future's in my hands
When I believe in me...

I'm strong enough... uh-huh...

I never stop, I don't give in (don't give in)
I fall, I get back up again
And when a challenge puts me to a test
I push it to the limit, give it my very best...

'Cause I'm strong enough to know I can
Strong enough to understand
And see the future's in my hands
When I believe in me...

I'm strong enough... uh-huh...

Anything is possible
Get right back up, when I fall,
I know that I'm unstoppable,
I'm stay in a game...

No giving up, just try again
In my heart, I know I can win,
I'm gonna make it in the end,
I've got what it takes...

'Cause I'm strong enough to know I can
Strong enough to understand
And see the future's in my hands
When I believe me...

'Cause I'm strong enough to know I can

Strong enough to understand(that's right)
And see the future's in my hands
When I belive me...
