Summertime, summertime  
Summertime fun

There's a time for practice  
That's right, I know  
But there's a time you gotta stop and just let go  
And gettin' crazy and join the fun  
Let's take a little break, everyone now

All work, no play  
Every night, every day  
And miss out all the good things in life  
So let's have some

Summertime fun  
Time to party, alright  
Summertime fun  
Just the way we like it  
Summertime fun  
Bein' free and wild  
Take the day off  
Time to get excited now

Let's have a good time and then some more  
We've never been allowed to ever do this before  
Well, there's a first time for everything  
So, everybody, let me hear you scream

All work, no play  
Every night, every day  
And miss out all the good things in life  
So let's have some

Summertime fun  
Time to party, alright  
Summertime fun  
Just the way we like it  
Summertime fun  
Bein' free and wild  
Take the day off  
Time to get excited now

Summertime fun  
Time to party, alright  
Summertime fun  
Just the way we like it  
Summertime fun  
Bein' free and wild  
Take the day off  
Time to get excited

Summertime fun  
Feelin' pretty neat  
Let's have a good time  
Get a little crazy  
Summertime fun  
You and me  
Take a little break  
It's so amazing, yeah
