You've got to feel the groove gettin' to you
Everybody make your move, it's what we do
Wave your hands now

Feel the groove talking to you
Everybody groovin' through the afternoon
Time to dance now

Now that you've got it, we're gonna rock it
Now that you say it, we're gonna play it
Everyone get on the dance floor

Feel the groove gettin' to you
Everybody make your move, it's what we do
Wave your hands now

Feel the groove talking to you
Everybody groovin' through the afternoon
Time to dance now

Now that you know it, you control it
Now that we're rocking, we're never stopping

Feel the groove gettin' to you
Everybody make your move, it's what we do
Wave your hands now

Feel the groove talking to you
Everybody groovin' through the afternoon
Time to dance now

Let the music play, let it just take you away
To another world, everyone
All the boys and the girls, yeah

If you like to dance, let me hear you say, oh yeah
If the rhythm takes you there
Then wave your hands in the air, oh yeah

Ah, feel the groove
Oh, c'mon, feel the groove

Hey, hey, hey

Feel the groove gettin' to you
Everybody make your move, it's what we do
Wave your hands now

Feel the groove talking to you
Everybody groovin' through the afternoon
Time to dance now
