Oh, yeah, oh ,oh

Every little thing i've ever wanted
Is everything you are now
All i wanna be is here with you, yeah

I wanna be the one to make you happy
So let me show you how
I'll forever be faithful and true, oh

You made me fall so hard
Deep inside my heart
I don't want anything more

I just want the real you, yeah
Coz i love who you are and everything you do, oh
I just want the real you
So c'mon let me show you how i feel too, oh

Yeah, oh, oh, oh

Every little thing i've ever needed
Is everything you give me
All i wanna be is by your side, ooh yeah

You're more than i could ever really wish for
I saw the girl of my dreams
First time i looked into your eyes

You made me fall so hard
Deep inside my heart
I don't want anything more

I just want the real you (real you)
Coz i love who you are and everything you do, oh
I just want the real you
So c'mon let me show you how i feel too, oh
(you know i do yeah)

ooh, (oh) ooh, (ooh) ooh, (oh yeah oh yeah oh)
ooh, (oh) ooh, (oh right) ooh (ooh)

I just want the real you (the real you)
Coz i love who you are and everything you do, oh
(yeah, you know that)
I just want the real you
So c'mon let me show you how i feel too, oh (oh!)

I just want the real you (real you)
Coz i love who you are and everything you do, oh
(everything, everything you do baby)
I just want the real you
So c'mon let me show you how i feel too, oh
