Wazz up....wazz up....  
Wazz up, that's the greeting we repeating,  
Wazz up....wazz up....  
Wazz up, that's the greeting we repeating,

Hey ladies, let 'em know where the party at,  
Do your dance on the floor, now what's up with that?  
Step up the game, show 'em how a girl act,  
uh uh uh uh oh la la....

Ladies, you can still rock a fitted cap,  
Jeans, sneakers, and a fresh top to match,  
Don't be ashamed, go ahead and wear that,  
uh uh uh uh oh la la....

Hey hey hey, that's how a cool girl gon' play,  
We're doin' it our own way,  
And that's how it's gonna stay,  
Said,  
Hey hey hey, that's how a cool girl gon' play,  
We're doin' it our own way,  
And that's how it's gonna stay....

All the ladies on the floor and all you fellas,  
Wazz up,  
Twist your body like a tarantula,  
Wazz up,  
Keep on dancin' through the night,  
Wazz up, that's the greeting we repeating,  
All the ladies on the floor and all you fellas,  
Wazz up,  
Twist your body like a tarantula,  
Wazz up,  
Keep on dancin' through the night,  
Wazz up, that's the greeting we repeating....

Hey fellas, on the floor doin' backspin,  
Go go for yours, minus the actin'  
Don't be standin' at the back bling fashion  
uh uh uh uh oh la la....  
Fellas hit the floor when the wax spins,  
We give you that audio passion,

A taste of our new sound fashion,  
uh uh uh uh oh la la....

Hey hey hey, that's how a cool girl gon' play,  
We're doin' it our own way,  
And that's how it's gonna stay,  
Said,  
Hey hey hey, that's how a cool girl gon' play,  
We're doin' it our own way,  
And that's how it's gonna stay....

All the ladies on the floor and all you fellas,  
Wazz up,  
Twist your body like a tarantula,  
Wazz up,  
Keep on dancin' through the night,  
Wazz up, that's the greeting we repeating,  
All the ladies on the floor and all you fellas,  
Wazz up,  
Twist your body like a tarantula,  
Wazz up,  
Keep on dancin' through the night,  
Wazz up, that's the greeting we repeating....

RAP:

What up, what up, y'all, what it is,  
Wazz up,  
Is this the way we tarantula twist,  
And what not,  
We spin around 'till we're gettin' dizzy,  
'Cause we rock,  
We got the whole place steamin' like a boiling pot,  
I kid you not,  
Something 'bout the style we got,  
That got the boyz poppin' up with a question,  
Wazz up?  
If they're nice, I give 'em a lesson,  
'Cause all we do is dance like it's our profession,  
We do the hop....

All the ladies on the floor and all you fellas,  
Wazz up,  
Twist your body like a tarantula,  
Wazz up,  
Keep on dancin' through the night,  
Wazz up, that's the greeting we repeating,  
All the ladies on the floor and all you fellas,  
Wazz up,  
Twist your body like a tarantula,  
Wazz up,  
Keep on dancin' through the night,

Wazz up, that's the greeting we repeating....
