We're gonna make it happen that's what I'm saying
(C'mon now)
There's nothing impossible
(Got a job, get it done that's what we're all about)

No more what the problem we'll find a way
(C'mon now)
Because we're unstoppable
(Aha, we know we got it goin' on now)

We stick together, yeah
We gonna win every time we try, we gonna get it right
'cuz

We can, we can, we can
Yeah, we can do anything
We can, we can, we can
Yeah, we can

We can, we can, we can
Get everything happening
We can, we can, we can
Yeah, we can
(We can)
We can

We know together we can do anything
(C'mon now)
We've got it under control
(Work it out, get it right, nothing's stopping us)

Whatever situation is happening
(C'mon now)
We're always good to go
(Aha, we know we gonna work it out now)

We stick together, yeah
We gonna win every time we try, we gonna get it right
'cuz

We can, we can, we can

Yeah, we can do anything
We can, we can, we can
(Everybody say)

We can, we can, we can
Get everything happening
We can, we can, we can
Yeah, we can

We stick together, yeah
We gonna win every time we try, we gonna get it right
'cuz

(La, la, la, la, la, la, la, la, la, la, la)

La la

(La, la, la, la, la, la, la, la)

Oh, oh yeah

(La, la, la, la, la, la, la, la, la, la, la)

La la

(La, la, la, la, la, la, la, la)

We can do anything

We can, we can, we can
Yeah, we can do anything
We can, we can, we can
(Everybody say)

We can, we can, we can
Get everything happening
We can, we can, we can
Yeah, we can
