Gonna get the party on
Wanna keep it goin' strong
All my girls here, by my side
Yeah, we're gonna make it happen 'cause we do it
everytime and

Everything is better when we're all together
Everybody havin' fun
Good times even better when we're all together
And we've only just begun

Gonna make the party rock
Get it started, never stop
Anywhere and anytime
All I need are all my girls
And we can make it turn out right, 'cause

Everything is better when we're all together
Everybody havin' fun
Good times even better when we're all together
And we've only just begun
Everybody sing along, now they're playing our song
Everything is better when we're all together
Everybody wanna feel the groove
Everybody gonna start to move, c'mon
Yeah, yeah, yeah
Everybody wanna scream and shout
Bratz are gonna turn the part out, c'mon
Yeah, yeah, yeah
C'mon, everybody now

Gonna get the party on
Wanna keep it goin' strong
All my girls here, by my side
Yeah, we're gonna make it happen 'cause we do it
everytime and

Everything is better when we're all together
Everybody havin' fun
Good times even better when we're all together
And we've only just begun
Everybody sing along, now they're playing our song

Everything is better when we're all together
