("Throwin up the W")

My nigga Ice Cube ("Throwin up the W"), Mack 10

Back to set the record straight for all these busta ass

niggaz

who trip, this how we do it nigga

Chorus: WC

Front back side to side

We be givin it up, till the day we die

Niggaz hit me up, I'ma have ta erupt

So motherfucker West Up!

(repeat 2X)

Verse One: WC

Nigga clear the lane, here I come, once again

With this, gangsta click, droppin this, gangsta shit

Strictly for the riders who ride us I gotta WestSider

rhymer for them niggaz that's sittin on them Dayton

wires

Pump the bass, hit the switch

Cause Ice Cube, Mack 10, and Dub-C, back up in this b-

i-itch

Straight hoodsta for life, ain't no lookin back

Ink in my flesh, WestSide tattered on my chest

Walkin with the shadow of death

Through the land of the skanless, South Central Los

Angeles

Home of the Crips and the Bloods

Where even the strongest niggaz is drug through the

mud

And visitors from outta town best to stay in Hollywood
You get that tourist ass ganked strollin through my
hood
West coast till the casket drop
I be throwin it up, so motherfucker West Up!

Verse Two: Mack 10

It's gun ho Mack one-oh please you can't fuck wit deez
Ice Cubez and Dub-Ceez is my G'z
And hip-hop, top three niggaz the new bosses
Never slippin cause we flosses, packin Nina Rosses
Nigga, thought you knew how we do it
Ain't a Damn Thing Changed, always on them thangs
forever and a day, so back up, gimme room, don't
neglect
Just respect and everything I can't check I wreck
Now you can cross out the bustas and snitches
Shit only killers hootchie bitches and hot hydraulic
switches allowed
On the turf where the real hogs dwell
Sewed up the hood, the fattest bolas on the block for
sale
Inglewood City, the throne I call home
Niggaz be so bright, you might need your locs on
to bail through, it's fin you're in with Mack 10
And I gotta confess up, nigga this West Up! for life

Chorus

Verse Three: Ice Cube

Now I got ta show you how the West coast rocks
No razor blades, in my mouth, just a glock
And I'm hittin you up, with that W-S
The sun, rises in the East, but it sets in the West
No gold teeth, you gets a wreath
So hand me the goodies, stockin mask, no hoodies
Christmas day, I'm in a tre
While some of you niggaz got the robe reindeer and a
sleigh
We don't call it five-oh, we call it one time
It's my life my life my life my life, in the sunshine!
One nine weighs a ton
How the fuck you think that the West was won?
Now shit can be squashed over a forty ounce of
backwash
No jokes, the land of locs and hundred spokes
In the East, we can be brothers
But when you come to L.A., watch your motherfuckin
colors

West Up! nigga

Chorus

Verse Four: WC

Give it up, give it up

Like the nigga James Brown, me and my niggaz are
puttin it down

So bustas be wary cause see we represent the city

Where niggaz caught slippin is left with they brains
drippin

City of the Angels, more like a concrete jungle

full of macks Cadillacs and crack sacks

I pledge allegiance to the shit till I die

[Mack 10] So let the five-twenty slide and put it down
from the WestSide

Chorus

WestSide!!!

("Throwin up the W")
