"Baby, Baby, Baby Don't"

You always try to make me do things
I don't want to do.
You try to take advantage of me
'cause I love you.
You hold me tight, with all your might
until I quiver
You always try to make me do things
I don't want to do.
Baby, Baby, Baby Don't
Baby, Baby, Baby Don't
You charm me with your beautiful words
and I surrender
Then you overpower me
'cause my desire makes me weak
Don't you understand when I'm with you
I have no conscience
It's your responsibility
you can't count on me.

Baby, Baby.....
