Brave Combo "Buscando Tu Corazon"

Visit "Buscando Tu Corazon" on MotoLyrics.com

You're driving off to the horizon Your journey has finally begun You'll ramble across every mountain To harbors along every shore Buscando tu corazon You say this house feels like a prison And you're trapped by the things that you love You look high and low for some purpose And maybe someday you'll come home Buscando tu corazon

Go to your new destination I hope you can find peace at last But if you discover it's empty Remember that you have a past Buscando tu corazon Go to your new destination I hope you can find peace at last But if you discover it's empty Remember that you have a past Buscando tu corazon Repeat first verse
