There's a girl that I need to forget  
I'm a prisoner by this phone  
I can't think of anything else  
Her face won't leave me alone  
There's a girl that I need to forget  
There's nothing in it for me, can't you see?  
I gotta get her out of my life -  
And concentrate on me

(Chorus:)

Gigi, I gotta stop thinkin' of you  
I gotta stop thinkin' about you  
Gigi, I gotta stop thinkin' of you  
I gotta stop thinkin' about you  
Gigi, I gotta stop thinkin' of you  
I gotta stop thinkin' about you  
Gigi, I gotta stop thinkin' of you

I gotta stop thinkin' abou-ou-ou-ou...  
I can't make it, oh can't take it  
I can't make it, oh, oh  
I can't make, oh can't take it  
I can't make it, oh, oh, WAA--YEA

(Spoken: Do It!)

You know I dream about her every night  
I think about her everyday  
She puts up such a terrible fight  
I can't make her go away  
There's a girl that I need to forget  
But her voice is all I hear  
It keeps me so pre-occupied  
Like a fly buzzin' in my ear

Repeat Chorus
