There is a sound in the air
Colored light is everywhere
All the stores, open late
Hurry up! I just can't wait

It's Christmas, Christmas
Have a merry Christmas
Then please have a
Happy New Year

There's a shelf for your cares
Wrap 'em up, store 'em there
Take a break from the heat
Open up to the beat

It's Christmas, Christmas
Have a merry Christmas
Then please have a
Happy New Year

It's Christmas, Christmas
Have a merry Christmas
Then please have a
Happy New Year

Couples sway on the floor
Cha-cha-cha Let's dance some more
It's Christmastime- know what I mean?
Look at life through red and green

It's Christmas, Christmas
Have a merry Christmas
Then please have a
Happy New Year

It's Christmas, Christmas
Have a merry Christmas
Then please have a
Happy New Year

It's Christmas, Christmas
Have a merry Christmas

Then please have a
Happy New Year

It's Christmas, Christmas
Have a merry Christmas
Then please have a
Happy New Year

It's Christmas, Christmas
Have a merry Christmas
Then please have a
Happy New Year

It's Christmas, Christmas
Have a merry Christmas
Then please have a
Happy New Year
