Ooo, I can feel, but I can't see your face  
So love me, baby  
You're really good, but you're such a disgrace  
So love me, baby

Oh, oh, I just can't help it  
I said I really can't help it  
Ooo- I just can't stay away

You're really good, but you really move  
Well, I can't take it  
I've gotta have ya baby, I'm such a fool

But I just can't take it

Oh no, don't ever stop  
I said don't ever stop  
Ooo- don't ever go away

Oh I said I really need it  
???????????????????? between it  
I just can't fade away  
Repeat Verse 2, etc  
Blue Moon Instrumental
