We were so happy
That's what I thought
We were so much in love
I never heard
A cross word from you
What were you thinking of

Chorus:
Why, oh why, oh why, oh why
Did you leave me high and dry?
Now all I do is cry
Oh why, oh why

Try to remember
Just how you felt
When I first caught your eye

Now that you've gone
My world's upside down
You sure took me by surprise

Chorus

My shattered ego
Can't take the pain
I guess I'll fall apart

When you walked out
You took all my dreams
And left me this broken heart

Chorus
