I've been running for so long
'Cause no love could hold me
Desperate dreams and reckless nights
Always controlled me baby

Now I'm lost, walls crashing down
'Cause I've got no foundation
But when I looked into your eyes
I saw my salvation, oh yeah

You could set me free, you could rescue me
If you just hold out your hand
I can't let go, please don't say no
If you give up on me, I'll be dyin'

Save me tonight
I don't know how much more I can take it
Baby save me tonight
Hold on without you girl, I'm not gonna make it, on my
own

If my world comes down to the wire
You'll keep it turning
You're the spark to my dying fire
Baby you'll keep it burning forever

If it lasts all night, well that's half the fight
There's a reason to go on
You touched my soul, I've lost all control
If you give up on me, I'll be dyin'

Save me tonight
I don't know how much more I can take it
Baby save me tonight
Hold on, without you girl, I'm not gonna make it
I know we can make it, oh

You could set me free, you could rescue me
If you just hold out your hand
I can't let go, please don't say no
If you give up on me, I'll be dyin', I'll be dyin'

Save me tonight
Baby save me tonight
Hold on, without you girl, I'm not gonna make it

Save me tonight
I don't know how much more I can take it
Baby save me tonight
Hold on without you girl, I'm not gonna make it

Oh save me tonight
Oh save me tonight, save me tonight
Won't you save me?
Save me, save me tonight

Save me tonight
Save me tonight
Save me tonight
