Haven't felt me feel real in a long time  
why won't you touch me?  
everything is yours, nothing's mine  
you don't owe me  
anything

make mistakes like we know how  
we're learning slowly  
still the same? i beg to differ  
you hardly know me  
all the things you say get back at you  
today i woke up hurting  
did i ever sleep?

wake me up before california  
darling boy, i always adore ya  
if this is what you want, then i'll leave  
baby  
maybe

haven't felt so well for so well now  
you can't slow me  
make mistakes like only i know how  
i don't even know me  
anymore  
all the things i say  
give 'em back to me  
today i woke up hurting  
did i ever sleep?

wake me up before california  
darling boy i've never known ya  
if this is what you need, then i'll leave  
baby  
baby

i'm sorry  
baby

all the things i say  
i'll give 'em back to you

always wake up hurting  
did i ever sleep?

wake me up in time for california  
and i'm the one to forget all about you  
and then i'll leave
