Annie I don't know, she said
He has gotten all in my head
Seems like we are playin' a game
That I can't help but feel that I'm losin'

[Chorus]

Annie I think it's over
Annie I think it's over, again

Annie I just need some more time
I need to straighten out this heart of mine
I never thought that I could feel so scared

I knew I never wanted to break his heart

[Chorus]

Annie you know I loved him more than life
Now I'm having feelings I just can't hide
I've been fighting a war inside my head
Now I know that he's my only weakness

[Chorus]

Annie I hope that we can still be friends
