Oh, oh, oh
I want, just want, yeah
And we can do it, do it, do it, do it
And do it, do it til we're done!
I want just want!

And we can do it, do it, do it, do it
And do it til we're done!

Chorus:
You're starting fire for me
I'm still comforting all your...
The hearts ignite
Go silent when they save me
...til you're broken now!

I know your kind
They like to do it, do it, do it
Do it till they die!
Your heart is blinding
You wanna break me, shake me,
Take me to the other side!

Chorus:
You're burning fire on me,
I'm still comforting all your...
Your one desire is to put my ...
That feeds your fire
It feeds your fire, it feeds your fire!

I know you're mine
Now we can do it, do it, do it
Do it till we die!
I've seen all signs
And I'm tired, tired of trying!

Chorus:
You're silent fire ... all your gasoline
You won't be quiet til I...
Your house is burning
So we'll stay away til it dissipates

You dissipate, yeah
You dissipate, yeah
You dissipate, yeah
You dissipate, yeah
