Still got your trash in my car  
Minus that old garbage heart  
Take no offense when I say  
That I prefer it that way

None of that old dialogue  
Boy, you could talk around the clock  
There are no words left to say  
Just trash to throw away  
That's where you'll stay

Still got that trash in my car  
I drive it around near and far  
There are no words left to speak  
And that's my favorite thing

'Cause now when I'm driving around  
The passengers don't bring me down  
Sorry, but what can I say?  
I have to throw you away  
Throw you away

Forgive, forgive, forgive me  
I'm not sorry

Still got some trash in my car  
Minus two old garbage hearts  
There are no words left to say  
You have been thrown away  
Far, far away

Forgive, forgive me, forgive me  
I'm not sorry  
Forgive, forgive me, forgive me  
I'm not sorry

Forgive me, forgive me  
I'm not sorry
