Smile for daddy oh yeah
If he don't love you
You'd be dead
What do you do
Nobody loves you no more
What do you do
Nobody loves you

Wipe the tears off
Your eyes
And I will fuck you
I'll even cry
What do you do
Nobody loves you no more
What do you do
Nobody loves you

Love will fade quickly
As it came
Love will fade quickly
As it came
The faces change
But the minds are the same
Love will fade
As quickly as it came

What do you do
Nobody loves you no more
What do you do
Nobody loves you
