Now she sits by the riverside  
Watching the waters glide by,  
With a sigh  
And the things she put faith in  
Are ripples just waving her by  
With a sigh  
She sees lovers pass by with much more than a kiss  
Ah this - little girl who had everything finds  
she's nothing at all  
Now the wind seems so cold  
Seems all old as it laughs at her fears  
And her tears  
And as ducks swim away from her  
Visions of past love appear  
In her tears  
She sees love in his face as she tells him to go,  
And so - here's a girl who had everything now  
she's Nothing at all  
What could she do if she saw him now;  
Now that he's gone she's losing  
If she could see what she's seeing now  
For sure she's more than just choosing  
Now she sits by the riverside  
Watching the waters glide by,  
With a sigh  
And the things she put faith in  
Are ripples just waving her by,  
With a sigh  
She sees lovers pass by with much more than a kiss  
Ah this - little girl who had everything finds  
She's nothing at all
