Haven't felt me feel real in a long time
why won't you touch me?
everything is yours, nothing's mine
you don't owe me
anything

make mistakes like we know how
we're learning slowly
still the same? i beg to differ
you hardly know me
all the things you say get back at you
today i woke up hurting
did i ever sleep?

wake me up before california
darling boy, i always adore ya
if this is what you want, then i'll leave
baby
maybe

haven't felt so well for so well now
you can't slow me
make mistakes like only i know how

i don't even know me
anymore
all the things i say
give 'em back to me
today i woke up hurting
did i ever sleep?

wake me up before california
darling boy i've never known ya
if this is what you need, then i'll leave
baby
baby

i'm sorry
baby

all the things i say
i'll give 'em back to you

always wake up hurting
did i ever sleep?

wake me up in time for california
and i'm the one to forget all about you
and then i'll leave
