Uh, uh, uh  
Jesus Christ, you gotta love me  
You've seen my loved one  
He's trying to leave me!  
I know you're gonna think me crazy

But he's the only one  
Who could ever take me!

Chorus:  
But you can't, can't  
And you won't come around  
No, you can't, can't  
And you won't come around!

Jesus Christ, you gotta tell me  
Am I gonna lose out if I lose my baby?  
Don't you go, I... for save me  
For you're the only one who could ever save me!

Chorus:  
But you can't, can't  
And you won't come around  
No, you can't, can't  
And you won't come around!  
No, you can't, can't  
And you won't come around!

Don't let em see through my skin!  
Uh, uh, uh  
Don't let them know where I've been  
Uh, uh, uh  
Don't tell them about my sins  
Cause then he can't and he won't come around!  
And he can't and he won't come around!  
Uh, uh, uh  
And he can't and he won't come around!  
Uh, uh, uh  
And he can't and he won't come around!  
Uh, uh, uh  
And he can't and he won't come around!

Uh, uh, uh

And he can't and he won't come around!
