Lying down here in the afternoon

In my pretty cosy little cushioned room

I can talk to all my funny friends in here

I was told to rest why ... I am not quite clear

Eating flowers growing in the garden where there are
tasty

tulips and I don't care

If I wet my trousers there was no time

I had nowhere else to go nowhere else I could find.

Staring up at the great big white light.

That shines everyday and shines all through the night

Hearing voices of the silly friends of mine

Always lock the door nurses waiting outside all the
time.

Hurt myself this morning, Doctor gave me warning sent
me

to my room and told me that I'm bad.

I heard someone saying I think he'll be staying maybe
for a

long time, Why does everybody else think that I'm mad

I heard someone saying I think he'll be staying maybe
for a

long time and that I'm mad.

Lying down here in the afternoon

In my pretty cosy little cushioned room

I can talk to all my funny friends in here

I was told to rest why ... I am not quite clear
