Who would believe me now that my hands are free,
that my hands are

free.

I never thought it would ever come to me, ever come to
me.

Now that my life's my own, I leave you behind, leaving
you behind.

What ever made you think that I'd change my mind,
that I'd change my

mind.

It wasn't hard to run, break away from you, break away
from you,

After all you'd done, what was I to do, what was I to do.

Who's gonna take my place in the games you play, in
the games you play.

Nobody's listening now to the things you say, all the
things you say.

Now my hands are free from the ties, from the ties.

Now I look forward to the future, where it lies.

And with you, feeling low, looking black

Here, now my head is clear, why should I look back.

When it was over did you have regrets, did you have
regrets.

Or did you really think it was over yet, it was over yet.

Now that my life's my own I leave you behind, leaving

you behind.

What ever made you think that I'd change my mind,
change my mind.

Change my mind. Change my mind
