See me, what I am, what I was, what I'll be,

Hear me, understand that I'm not what you see

Take this, take the man, middle term, common me

Don't you see that I'm just doing what I want to do

Nothing more and nothing less than you

Read no thoughts I didn't think myself

Just the same as anybody else

Make me someone else, put me up on a stand.

Something that I don't really want on my hands

Use me, idolise all you can understand

Don't you see that I'm just doing what I want to do

Nothing more and nothing less than you

Read no thoughts I didn't think myself

Just the same as anybody else

Change it, what you think, what you thought, what you
say

Look for something more than you sought yesterday.

I don't want to be part of your life to-day.

Don't you see that I'm just doing what I want to do

Nothing more and nothing less than you

Read no thoughts I didn't think myself

Just the same as anybody else
