Maria mi amor.  
Mariana  
I miss you more and more.

All of my heart  
I'm feeling so lonely.  
All I can do si dreaming of you.

Mariana

...  
I still remember the very first time

I saw you and your eyes met mine.  
I wish it could happen again

All over again  
all over again.

Mariana

...  
I still emeber the very first time
