ANYTHING IS POSSIBLE

Performed by: Debbie Gibson

Written by: Deborah Gibson and Lamont Dozier

Anything is possible

If you put your mind to it

Anything is possible

Just put your mind to it

Anything is possible

If you put your mind to it

Anything....

Is possible

Verse 1:

Thought I couldn't slow him down

Long enough to look my way

Thought he was out of my league

Wouldn't give me time of day

Thought he was like all the rest

Love her, leave her, no remorse

But I guess that I misjudged

And this thing just ran its course

He taught me

Chorus:

Anything is possible

If you put your mind to it

Anything is possible...

Just put your mind to it

Anything is possible

If you put your mind to it

Anything is possible

Break it down now....

No matter what it is, it's possible

Say, anything is possible

(Anything...) No matter what it is, it's possible

Say, anything is possible

(Anything...) No matter what it is, it's possible

Say, anything is possible

(Anything...) No matter what it is, it's possible

Say, anything is possible

Verse 2:

Much to my surprise I felt

A warm, not cold vibe

When he looked in my eyes
(Oh yeah, it's possible)
His bad boy front not charm
Was his disguise
Oh whoa whoa
(Let me tell ya)
He read so much into me
Listened so attentively
He liked me, I rest my case
Wasn't just a pretty face
Bridge:
Anything...
If you set your mind
You can do anything you want
Not every guy is a bad guy
Don't stereotype
'Cause this guy, he proved me wrong
(Anything is possible...)
He taught me
Anything is possible
Just put your mind to it
Oooooooo....
Ooo-Ooooooo
Ooo-Ooooooo
Ooo-Ooooooo
If you put your mind
You know you can do anything,
Anything
Anything is possible
Anything is possible
Anything is possible
Just put your mind to it
Anything is possible
If you put your mind to it
