BETWEEN THE LINES

performed by: Debbie Gibson

written by: Deborah Gibson

OooooOoooo....

Verse 1:

I've been searching

I've been thinking

I've been searching so long

What I am looking for

I've been hearing love will hit you

But everybody's wrong

Cause I just happen to notice

That certain look in your eye

Chorus:

I'm reading between the lines

I didn't need no neon signs

To notice baby

I never before had you on my mind

But now I really do

Verse 2:

Nothing major ever happened

But it's the greatest feeling I've ever had

Strong emotions all have left me

Just a tenderness inside my heart

Just happened to notice a knowing smile

CHORUS

(now I really do)

Just happened, I noticed

That certain look in your eyes

I'm reading between the lines

I didn't need no neon signs

To notice baby

I never before had you on my mind

I'm reading between the lines

I didn't need, didn't need no neon

To notice baby

I never before, never before

I knew it, I knew it

Bridge:

Started dreamin about you baby

Now I know just what I'm feeling

Can it be you are my baby?

Never gonna let you go

Oh it took so long to feel it

(So very long to feel it)

But it was worth the waiting baby

Never gonna-never gonna let you go

(Read between, read between the lines)

Didn't need no neon signs

Oh it took so long to feel it

(So very long to feel it)

But it was worth the waiting baby

(Read between, read between the lines)

Whoa-oh-woah-ho..

Didn't need, didn't need, didn't need no neon

(notice baby) Oh-whoa..

Hoo-hoo... hoo-hoo...

HooooOooooo

(Read between, read between the lines)

I didn't need no neon signs

I knew it, I knew it

(Read between, read between the lines)

Between the lines

(Read between, read between the lines)

I'm reading between the lines
