HEART AND SOUL

(debuted on the One Step Ahead tour)

performed by: Debbie Gibson

written by: Deborah Gibson

Verse 1:

Baby you've got to believe in me like I believe in you

Turn around, look what you've got

When I've got you, I see in you, I know how deep you  
run,

And I love every piece of your mind and heart.

Friends turn when the wind blows, the wrong way,

But I am here for you always.

Chorus:

You've got me heart and soul

We will grow old together

Don't care how the world turns

I promised you forever.

To have and to hold

You've got me heart and soul.

Verse 2:

Never met anyone who was perfect, and I never will.

Disillusion, promises, I've had my fill,

But much greater is the power to rise above

Any obstacles we're given because we have lots of love

CHORUS
