Verse 1:

My ears are gonna fade away

Without a word from you

My lips are gonna fade away

Without kissin' you

'Cause I'm missin' you

Can't you see I

feel helpless

So alone here

out of touch with all I love

so helpless

so helpless in love

Verse 2:

Forever is so long to wait

Well it seems like forever

It was so much more than fate

that brought us together

(together)

Don't ya know I

keep counting

the days 'til

I can see you again

So helpless

I'm missin' the love of my life

and my best friend

Chorus:

Oh, I can't count the stars in the sky

no matter how hard I try

I'm HELPLESSLY IN LOVE and missin' you

Can't think of anything else

except how hard I feel

I'm HLEPLESSLY IN LOVE and missin' you

Verse 3:

I know that it's so hard to hear

the voice of reason

It's like goin' from summer to winter

unwanted change of season

It's not pleasin' me baby

I can't see clearly

even though the

sun's been lifted from my eyes

So clearly

'til the day we said goodbye

Bridge:

I used to wonder if you felt the same

I know you do and now it's a different game

When someone you love's
been taken away
Even though it's not for long
it seems like forever and a day
