VERSE:

Don't you take me down the back roads

I wanna see the sun

I was thinkin' 'bout pleasure

When we begun

CHORUS:

I kept thinkin'

All along

Where did we go wrong?

No, no more

Negative energy

VERSE:

Life changes in a heartbeat

Emotions made of crystal and glass

Life turns us from Jekyll to Hyde

We don't mean to be cruel and crass

CHORUS:

All along

Where did we go wrong?

No, no more

Negative energy

Be good to me

I kept thinkin'

All along

Where did we go wrong?

No, no more

Negative energy

BREAK:

I don't want money

I don't want a car

I wanna know where you're hiding

I wanna know who you are

Don't want to be humored

Can't stand the wait

I don't wanna be a victim

Of your unclear state

BRIDGE:

Don't try to pass yourself off

As the confused good guy

Say hello or say goodbye

No, please no more

Negative N-R-G

Be good to me

CHORUS

I keep wondering where we ever went wrong

I keep wondering where we ever went wrong

I keep wondering where we ever went -

Wondering -

N-R-G

CHORUS

=====
